Mr. Dory Laramore,
228 N. Willow St.,
Trenton, N. J.

Dear Laramore:

I just sent you a wire, telling you we had secured the park in Trenton for Wednesday, June 4th. You should have the placards by this time. We are bringing the Phila Stars in there. You will have to get to work on this, as it is just a week off.

Do you think it would do any good to let the soldiers in for 25¢? Do you think they will be able to stay out late enough to see a night game? Do you know any one in Camp that you could talk to about it? Please send me the name and address of the Negro newspaper in Trenton. Do you know the Editor well enough to contact him directly?

We will come back on the 11th and play again, if we do any good on the 4th. Please drop me a card as soon as you receive the cards.

Very truly yours,
